## FROM THE PRESIDENT'S DESK

Dear fellow Rotarians,

On behalf of my fellow members of the Rotary e-Club of Doon, District 3080 a warm welcome to all who have shown keen interest in our activities and would like to know more about us.

I am honoured to be the President (2019-20) of this dynamic club which is the first e-Club in District 3080. The journey so far has been a learning curve for us and we all members have learnt a lot about Rotary and Rotarians during the past 5 years.

Our club has about 40 members currently, and is growing! We are active, averaging one or more activities (either social or philanthropic) per month, with weekly, casual meetings. Our socials are usually held in an after-work bar or restaurant setting and will give you an opportunity to really talk to club members, and find out more about them both personally and professionally, while checking out a fun place in town.

We are already enjoying a good fellowship by knowing each other and all members volunteering to take up various tasks.

I would urge you all to come forward and be a part of this e-Club, please JOIN US and also CONTRIBUTE whole heartedly to the cause of Rotary, to the cause of Humanitarian service.

Thank you and enjoy Rotary !!

Rtn. Vipul Dawar  
President (2019-20)  
Rotary e-Club of Doon, District 3080
