District Governor's Monthly Letter

GML

Dear Brothers and Sisters of Rotary,

Congratulations for a Polio Free India. Thank God, no child in India will be seen crippled.

I have been continuing to accompany DG Rakesh ji, on his Governors Official Visits and the more clubs, I visit the more I enjoy and engage in Rotary.

RC Mohali presented a skit, 'Parchhaiyan', on the atrocities on women. Female foeticide, dowry deaths, and rape cases were the issues raised. The audience had tears in their eyes. We all talk of women equality & empowerment yet men folk treat them as mere objects of brutal pleasure and scar them for life.

Our Rotaract and Interact clubs are doing very well. In fact their enthusiasm at times ensures that Rotarians are always on their feet and continue with projects. These Rotaract members have potential to be good Rotarians with good values inculcated already DG Rakesh ji, has come up with formulae where we, spouses of Rotarians can help in collection of funds for Rotary Foundation. If we can collect Rs.500/- each, per month out of our savings the total would be US \$ 100.00 per year. The total accumulation would help the District reach its target of US \$ 6 lacs for the year.

Friends, we shall get a chance to meet each other at the District Conference of Integrity which is being held on March 1 and 2, 2014 at Dehradun. Please register along with your husband and be assured of a very good programme. Let us help Rotarians to 'Engage Rotary Change Lives'.

With best wishes
Neelima.

Pre conference Dinner on **28th Feb, 2014**
at Hotel Sun Park Inn, Dehradun

Dear Fellow Rotarians,

Together, we have done it. Congratulations to all for making India a 'POLIO FREE' country. Twenty eight years of consistent hard work put in by Rotarians has ensured that our future generations shall not have to face the wrath of polio deformities.

The clubs in the District celebrated the occasion by illuminating iconic buildings in their respective cities on January 13, 2014 – the date on which WHO certified India to be POLIO FREE.

There is, however, a caveat. The 'National Immunisation Days' shall have to be continued for another two years so that the polio virus does not resurface as it did in Somalia which reported a polio case after remaining polio free for five years. We must continue to be proactive in our efforts and remain vigilant.

Let us not forget to continue to immunise all the children upto the age of five years with polio drops. I am sure that the election process of your club leaders must have been over by now. Do remember to inform the RI South Asia office, The DGE and to my office too, the names of the Presidents and Secretaries for the year 2014-15. Clubs are encouraged to start holding joint Board Meetings with the new teams.

The clubs should review the past six months performance, and also, plan for the next six months. The membership growth, stipulated at 16% has to be met with. Please identify and induct new members. The District has to meet its annual TRF target of US \$.six hundred thousand through EREY (Every Rotarian Every Year – US \$ 100.00. Members who become PHF shall be eligible for 50% matching points of the balance payment if they reach the target of US \$ 1000.00

The Semi Annual Reports (SAR) should have already been received by you, unless you have opted to download it from the RI Website. You should send in the dues by the end of the month.

For clubs whose dues for the previous period were to have been remitted upto September 30, 2013 but have not done so yet have been given a one time extension until the end of January, 2014 to clear all dues, including service tax. This shall enable the clubs to participate in the election process and to save any last moment embarrassment.

The annual conference is always the pride of a district. Our District Conference 'Conference of Integrity' is being held on March 1st. and 2nd. 2014 at Dehradun. Please register in large numbers at the earliest to felicitate the hosts to serve you better. The Assistant Governors are also helping out by way of accepting 'Registrations' in their respective Zones.

May God bless us all in all our endeavours and together let us 'Engage Rotary, Change Lives'.

With regards,

Yours sincerely in Rotary
